Astra2.tv – How to register and pay.

1. Go to www.astra2.tv and click the “REGISTER” button at the top of the screen.
2. Fill in the details on the registration page.

If you have been introduced by an Astra2.tv Reseller, then click the down button next to “direct” and choose that Reseller, you will also need the Reseller’s pin number.

If you have come to Astra2.tv via an advert, word of mouth or by searching the net, leave as “direct”.

You will see that it says “country (UK required)” please ignore this, enter your normal postal address and select the country from the pull-down.

Make a note of the Username and password you chose and click “Submit Registration”

3. You will now be sent an automated email with a link in it that you must click on to complete the process. Because this is an automated email, it may go into your spam/junk folder, you will need to move it to your inbox to click on the link. Please be patient, it can take up to 10 minutes for it to arrive.
4. To buy a subscription go to www.astra2.tv and “login” using the Userid and password you chose when registering.

On this screen you need to click on “Buy a subscription” . This will take you to a screen which offers 2 choices, Standard or Premium, choose the one you want by clicking in “Subscribe”

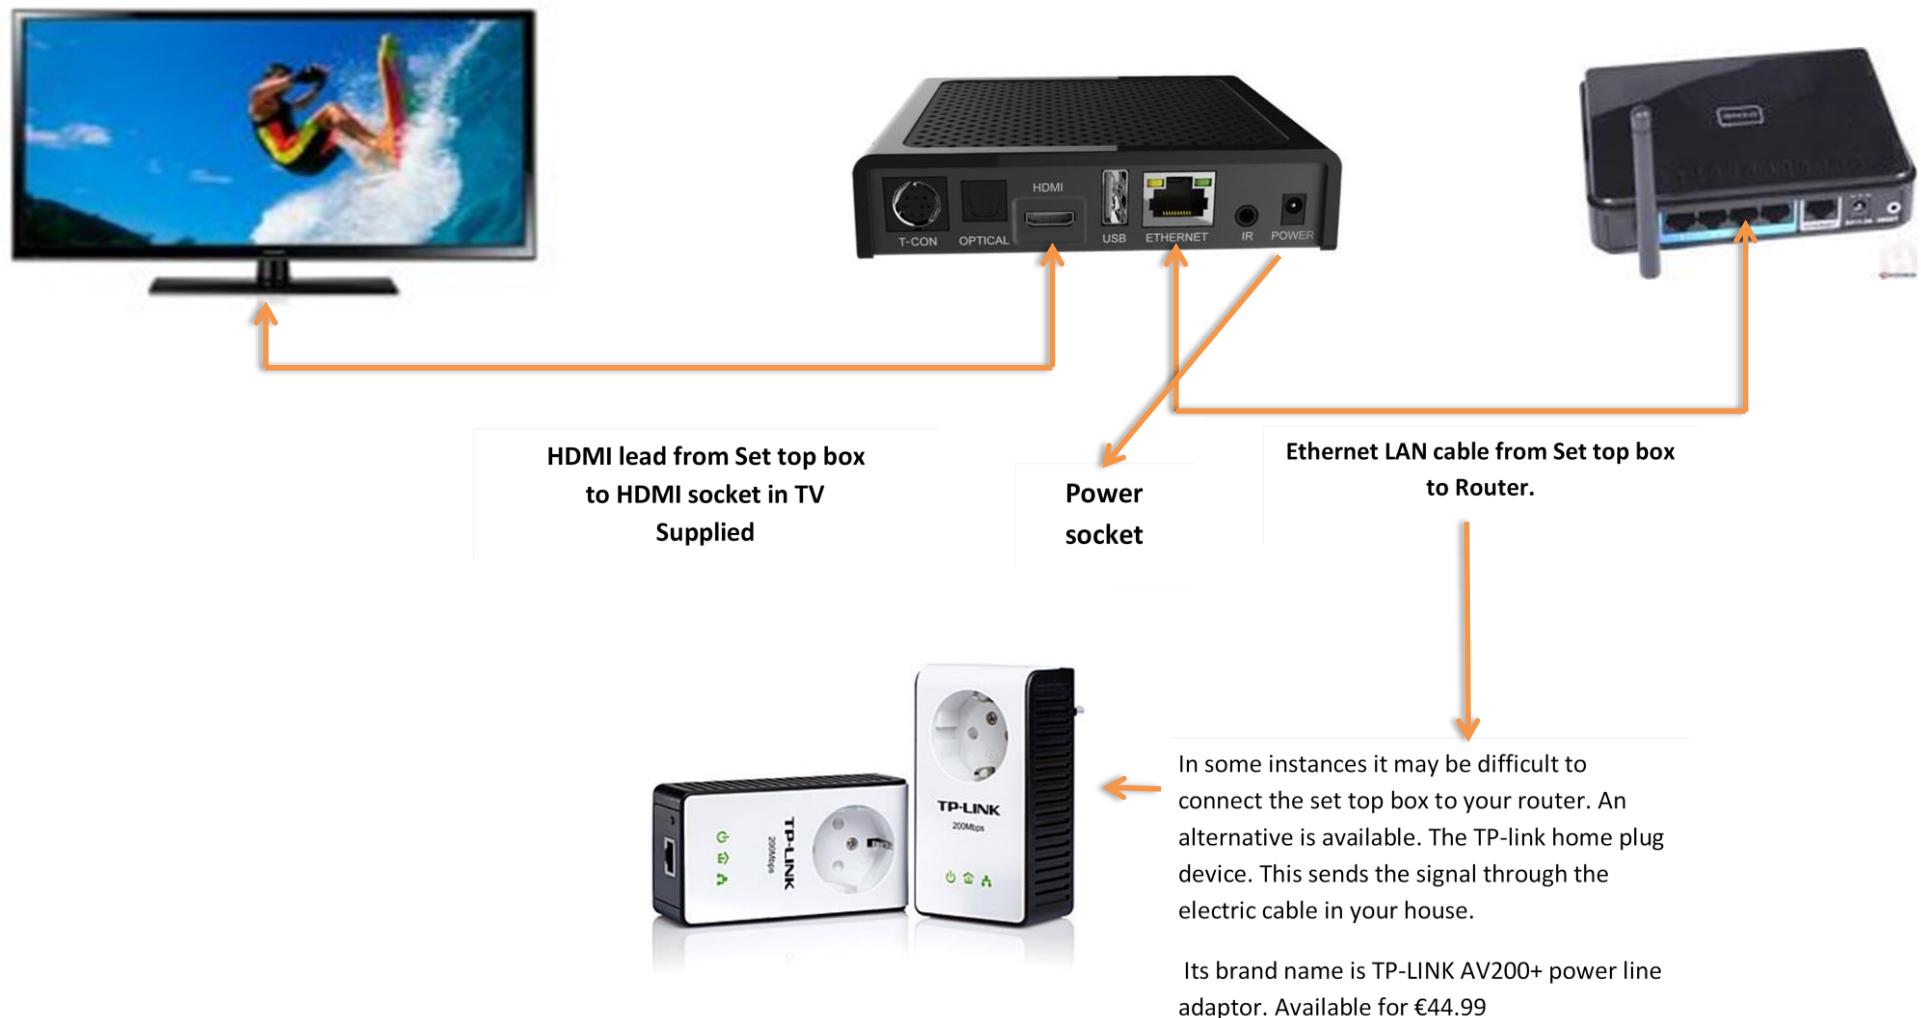

This will take you to paypal, and you can pay via your paypal account. If you do not have a paypal account, you will see at the bottom of the screen “pay with your credit / debit card” click on this to pay.

This will create a recurring payment, each month this amount will be taken from your account or card. Paypal will send you an email with a link in to cancel the payment at any time. Save the email.

5. Now go back to www.astra2.tv Login and click on “view your subscription and invoices”. There you will see the Userid and password when using your PC/ iPad, and the numeric Userid and password for the Set Top Box.
6. Enter these into whichever device you are using.
7. If you want to view TV on your ipad, or Apple Mac, then open safari on that device, and go to epg.astra2.tv You will then need to add this to your home screen using the menu in safari. A new icon should appear on the device. Click the icon to launch.

For Windows, please follow the instructions on this page http://www.astra2.tv/watch_on_windows.php
